# Indicators for sustainable development strategies and policies in the Mediterranean

## MSSD and Indicators follow-up proposal

# MSSD follow up outputs

PNUE

plan  
bleu

1. Short documents on the 40 priority indicators every two years.
2. Strengthen the exchange of experiences and organise Mediterranean workshops or forums (regional or sub-regional) on the 7 priority issues (2 or 3 issues every 2 years)
3. In-depth balance sheet every five years (the first one in 2012 for the 3<sup>rd</sup> world summit on sustainable development)

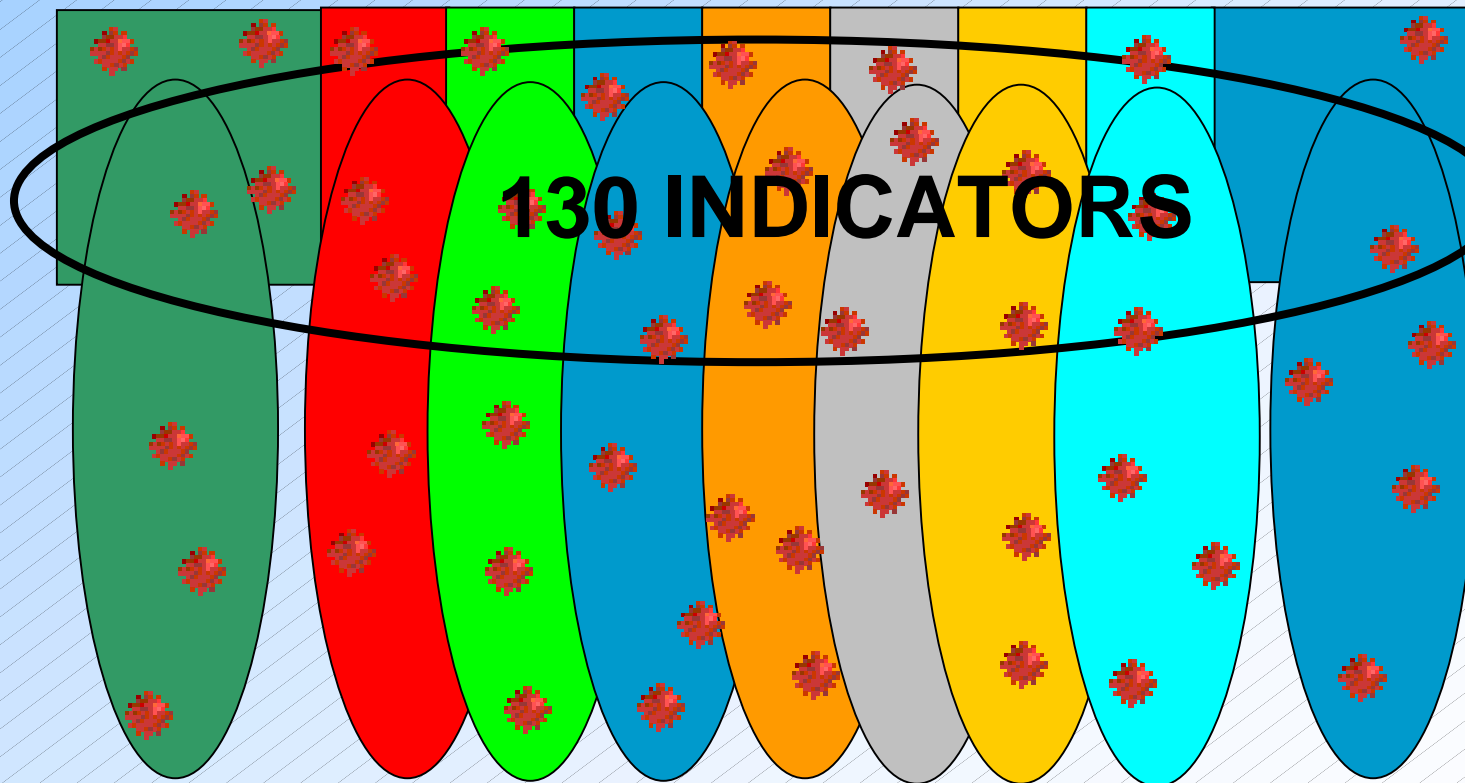

# Several sets of indicators

(Priority Indicators)

**5 to 15 indicators / each issue**  
**Exchanges of good practices, tools, ...**

# MSSD and Indicators follow up (How to improve?)

PNUE

plan  
bleu

- Focus on the 33 priority indicators and mainly on on the indicators difficult to get
- Deepen the work on the priority issues :
  - selection and analyse of thematic indicators (10-15 per each issue)
    - Example of good practices, exchange of experiences, Policies assessment, obstacles and tools
- Others works on Indicators :
  - Follow up of the 130 MSDI
    - Data compendium
  - Use of indicators in CAMPs
